European Vocational Skills Week 2020 – Registered Events Prize Draw

Terms and Conditions

The European Commission's Directorate General for Employment, Social Affairs and Inclusion (the organisers) invites you to participate in the European Vocational Skills Week prize draw (the prize draw). The goal is for event and activity organisers to be provided with an added incentive to register their events via the European Vocational Skills Week campaign website ec.europa.eu/social/vocational-skills-week by the 30 June 2020.

1. The Prize Draw

Entry requirements:

- Events and activities must submit registration forms for the European Vocational Skills Week up until midnight (CET) on 30 June 2020;
- Events and activities must be approved as part of the campaign.

Those events and activities that qualify will automatically be entered into the prize draw. The winners will be selected at random and informed by the end of July 2020 via the contact details they provide in their registration form. Only one winner per organisation.

Each winner (maximum 25) will receive an invitation to the European Vocational Skills Week in Berlin. This will consist of flights and accommodation only, for one person. The prize cannot be redeemed in cash.

Organisers will contact the winners at the email addresses they have submitted in their EU Survey registration form titled "Registration of national, regional and local events and activities linked to the European Vocational Skills Week 2020", by the end of July 2020. The Organisers will check whether the winners meet all the eligibility criteria outlined above. If this is not the case, the candidate will be disqualified. If the selected winner does not react within 5 calendar days of being informed of their win, another from the shortlist may be chosen. Only the winners will be contacted.

Any participant reasonably suspected of cheating will be disqualified and their entries removed. No correspondence will be entered into on this matter.
